

PROGRAM DESCRIPTION

The Highway 10 Hockey School provides top quality on-ice instruction complimented with dryland and classroom sessions for our full day camps. Our curricula is planned to ensure the participants learn through a positive learning environment while having fun. We will continue to place emphasis on individual skill training. Each group will be supervised by two group leaders and on-ice sessions will have 2 instructors. Extra supervision will be provided if necessary amongst our younger age groups.

Included in your costs are daily lunches, jerseys, total supervision and both on and off ice training.

The Highway 10 Hockey School invites boys and girls of all ages to learn new hockey skills and build on an everlasting love of the game.

For more information on the Hockey School please feel free to contact us with your questions.
